

Cost-effective, Convenient FISS Connectivity

DDE LINK BY QUADAX

The Quadax Portal is your gateway to a wealth of information, valuable resources, and customer support. Now, it's also your gateway to Medicare's Fiscal Intermediary Standard System (FISS), giving your staff ready, affordable, browser-based access. When DDE Link is enabled for the Portal profiles matching each of your named users, those users will easily log in, right from the familiar Quadax Portal, using their own Medicare Online System ID and password to access all of the functions they need. No extra hardware is needed, and access can be enabled quickly and easily.

EASY USAGE FOR ENHANCED EFFICIENCY

- Convenient entry through the Quadax Portal
- Immediate access to all functions within FISS including FSS0, HIQA, and the CWF
- Color scheme and font options for easier viewing prevent poor-visibility slowdowns

VALUE-ADDING INTEGRATION* FOR GREATER PRODUCTIVITY & BETTER AUDIT TRAILS

- FISS Report Gather delivers key reports directly to your Payer Reports database on the Quadax Portal
 - ADR (Daily): Additional Development Requests
 - 50 Report (Daily): Returned claims
 - 201 Report (Weekly): Pending, processed, and returned claims
- 50 Report Scraping automatically pulls Return to Provider (RTP) claims from Xpeditor's History, returning them to the active claim inventory with the RTP reason code description

**Optional, requires dedicated FISS login*

Claims Management

With experts reporting that fifteen cents of every US healthcare dollar is wasted on revenue cycle inefficiencies, can you afford not to streamline your operations?

*2018 Best in KLAS: Software and Services report
